## Professional Summary

Brand and marketing professional with a dual Master's background and 2+ years of experience in corporate marketing. Rather than tracking metrics or building campaigns in isolation, I focus on the "why" behind the numbers, using market research and data analysis to shape go-to-market strategies that actually convert. Equally comfortable optimizing campaign data and coordinating cross-functional teams for a brand launch. Ready to bring this dual focus to marketing, brand coordination, performance analytics, GTM, or campaign management roles.

## Skills

**Marketing Strategy & GTM:** Go-to-Market Strategy, Brand Positioning, Brand Management, Market Research, Consumer Behaviour Analysis, Competitor Analysis
**Campaign & Growth Marketing:** Campaign Management, Inbound Marketing, Digital & Multichannel Marketing, Content Strategy, Social Media Content, Web Design, B2B & B2C Marketing
**Data Analytics & Tools:** Advanced Excel, Google Analytics, HubSpot CRM, Data Analysis, Trend Analysis, KPI Reporting, PowerPoint, Microsoft Office, Canva
**Leadership & Execution:** Project Management, Cross-Functional Coordination, Stakeholder Management, Vendor & Agency Management

## Work Experience

**Digital Marketing & Web Designer** | Freelance — Aug 2026 – Present

- **Digital Content & Marketing:** Designed and executed organic Instagram marketing and content generation for niche brands, building targeted content and brand engagement.
- **Web Development & Portfolio Design:** Built, designed, and launched 5+ custom websites and professional portfolios, improving site loading speeds by 15% and boosting client inquiry rates.
- **Content Strategy & Creation:** Developed content marketing strategies, writing and producing high-converting multimedia assets across digital platforms.
- **Client Management & Delivery:** Managed end-to-end project lifecycles (scoping, requirements, timelines) across multiple concurrent clients, ensuring 100% on-time delivery and a 95% client satisfaction rate.

**Assistant Brand Manager** | Heather Constructions, Trivandrum, India — Jul 2023 – Aug 2025

- **Campaign Execution & Analysis:** Analyzed customer trends and competitor pricing to launch targeted multichannel campaigns, driving a 20% increase in qualified inquiries and accelerating phase-one sales.
- **B2C & B2B Management:** Managed end-to-end B2C buyer journeys for 100+ residential units and directed high-value B2B partnerships with external agencies and vendors.
- **Cross-Functional Coordination:** Coordinated updates across internal divisions for a $7.4 million portfolio, reducing project communication delays by 17%.

**Management Intern/Trainee** | Heather Constructions, Trivandrum, India — Jan 2023 – Jul 2023

- **Competitor Analysis & Strategy:** Conducted SWOT and market gap analyses on 5 local competitors to identify emerging industry trends and support premium brand positioning.
- **KPI Reporting & Analytics:** Compiled and presented 4 monthly executive reports tracking asset utilization, campaign performance and marketing metrics across 2 major development projects.
- **Cross-Functional Project Support:** Coordinated inputs from 6 internal departments to deliver a government tender report for a public project valued up to $10 million.

## Education

**MSc in International Marketing and Brand Management** | Lund University, Lund, Sweden — 2025 – 2026
**Master of Business Administration (MBA)** | O.P. Jindal Global University, Sonipat, India (Online) — 2024 – 2025
**Diploma in Operations Management** | Acharya Nagarjuna University, Guntur, India (Online) — 2023 – 2024
**Bachelor's in Botany** | University of Kerala, Trivandrum, India — 2021 – 2023

## Projects

**The Human Behind the Image: Consumer Interpretations of AI-Generated Fashion Advertising and Brand-Consumer Relationships** | Lund University | Published June 2026
Qualitative consumer-research study analyzing H&M campaign data to determine how AI-generated advertising affects brand trust and marketing strategy execution.
https://lup.lub.lu.se/student-papers/record/9242140
**More than a place to shop: Making the Grocery Store a Meal Destination** | Lund University | Dec 2025 – Jan 2026
Co-developed a strategic technology pathway to transform traditional Swedish grocery retailers into technology-augmented "meal destinations".
https://portal.research.lu.se/en/publications/more-than-a-place-to-shop-making-the-grocery-store-a-meal-destina/
**Brand Strategy Consulting Project** | Heather Constructions | Mar 2025 – Jun 2025
Led a team of five delivering market research and brand strategy recommendations: managed task allocation, coordinated data analysis, oversaw report preparation and presented findings to faculty and industry partners.
**Leadership and Performance Measurements: Keys to Productive Strategy Implementation** | O.P. Jindal Global University | Sep 2024 – Dec 2024
Analyzed how leadership styles and performance measurement systems drive strategy implementation across 4 corporate case studies.
